EXTENDED MEDICARE ASSIGNMENT

I certify that the information given by me for payment under Medicare (Title XVIII of the Social Security Act) and/or any other medical insurance is correct.

1. The patient, if physically and mentally competent, must sign on his/her behalf. If cannot sign for himself/herself, a representative payee as designed by the Social Security Administration, or a legally appointed guardian may sign: the source of the signatory's authority should be stated. (*E.g., Social Security appointed Representative Payee, court appointed guardian, etc.*)
2. This form is issued in lieu of the patient's signature on the request for payment HCFA-1500 (1-84) and is, therefore an extension of that form. Anyone who misrepresents or falsifies essential information in making Medicare claims may, upon conviction, be subjected to fine and imprisonment under Federal Law. Furthermore, in signing, the beneficiary authorizes any holder of medical or other information about himself/herself to release to Social Security Administration or its intermediaries or carrier any information needed to process related Medicare claims. He/She further permits a copy of the authorization to be used in place of this original.
3. On assigned claims, the provider agrees to accept the Medicare Carriers allowable amount as the full charge for coverage services; the patient is responsible for the deductible, co-insurance, and non-covered services. This authorization may be cancelled by mutual agreement of the provider and customer at any time by written notice to the Medicare Carrier.

I request that payment of authorized Medicare benefits be made either to me or on my behalf for any services furnished me by or in MRLD, including physician services. I authorize any holder of medical or other information about me to release to the Center of Medicare and Medicaid Services and its agents any information needed to determine these benefits for related services.
